Training Module Content Development Roles and Priorities

NOTES:
- This is a working draft subject to regular review and revision
- All SMEs are needed to lead a materials inventory for the module
- Colors correspond to the NSDI Curriculum Overview (vers. 20060823)
- Prioirty Levels are defined as: **1**
  - existing training material resource available or under contract for development
  - effort will be used to pilot effort and establish guidelines
  - available for publishing by August 31, 2006

  2
  - core modules and modules of significant interest to FAOs
  - available for publishing by March 29, 2007

  3
  - modules with significant available materials
  - available for publishing by December 31, 2007

  4
  - availability to be determined

Core Module	SME	SME Role	Other	Other Role	Priority
Target Module					
NSDI Overview	Kathy Covert	▪ outline ▪ oversight & review	Lynda Wayne	▪ primary content development ▪ conversion	2
Discovery and Access via geodata.gov	Rob Dollison	▪ outline ▪ oversight & review	Lynda Wayne	▪ primary content development ▪ conversion	2
Publishing to geodata.gov and the Marketplace	Rob Dollison	▪ outline ▪ oversight & review	Phyllis / Jackie?	▪ primary content development ▪ conversion	3
Establish a Metadata Collection / Node	Doug Nebert	▪ outline ▪ primary content development	Vaishal Sheth	▪ conversion	4
Steward a geodata.gov Community	Rob Dollison	▪ oversight & review	ESRI?	▪ outline ▪ primary content development	2
			Vaishal Sheth	▪ conversion	

Core Module	SME	SME Role	Other	Other Role	Priority
Target Module					
Value of Geospatial Metadata	Sharon Shin	▪ oversight & review	Lynda Wayne	▪ outline ▪ primary content development ▪ conversion	1
Geospatial Metadata Standard	Sharon Shin	▪ oversight & review	Lynda Wayne	▪ outline ▪ primary content development ▪ conversion	1
Metadata Creation and Tools	Sharon Shin	▪ oversight & review	Lynda Wayne	▪ outline ▪ primary content development ▪ conversion	1
Metadata Implementation	Sharon Shin	▪ oversight & review	Lynda Wayne	▪ outline ▪ primary content development ▪ conversion	1
Best Practice of Geospatial Data Management	Lynda Wayne	▪ outline ▪ primary content development ▪ conversion			4
NSDI Standards Overview	Julie Maitra	▪ outline ▪ primary content development	Vaishal Sheth	▪ conversion	2
Data Access Standard	?				3
National Grid	?				2
NSDI Data Theme Standards and TNM Implementation	Billy Tolar	▪ outline ▪ primary content development	Vaishal Sheth	▪ conversion	2
Framework Base Standard	Sharon Shin	▪ oversight & review	U of Wy	▪ outline ▪ primary content development ▪ conversion	1
Hydrography and NHD	?		U of Wy	▪ outline ▪ primary content development	2

Core Module	SME	SME Role	Other	Other Role	Priority
Target Module					
				▪ conversion	
Orthophotography and NDOP	George Lee	▪ outline ▪ primary content development	Vaishal Sheth	▪ conversion	3
Elevation and NDEP	Rick Pearsall	▪ outline ▪ primary content development	Vaishal Sheth	▪ conversion	3
Transportation	?				3
Cadastral	?				3
Geodetic	?				3
Administrative Units	?				3
SDI and Governance	Al Stevens	▪ outline	Kate Lance	▪ primary content development	2
			Vaishal Sheth	▪ conversion	
Global Spatial Data Infrastructure	Al Stevens		Kate Lance	▪ primary content development	3
			Vaishal Sheth	▪ conversion	
Building Geospatial Collaborations	Kathy Covert	▪ outline ▪ primary content development	Randy Johnson (MetroGIS)	▪ oversight & review	2
			Vaishal Sheth	▪ conversion	
other?					
Federal Partnership Opportunities	John Mahoney	▪ outline ▪ primary content development	Vaishal Sheth	▪ conversion	2
Contribute to The National Map	?		Vaishal Sheth	▪ conversion	3
Project Homeland	John Crowe	▪ outline ▪ primary content development	Vaishal Sheth	▪ conversion	3
CAP	Allison Dishman	▪ outline ▪ primary content	Vaishal Sheth	▪ conversion	2

Core Module	SME	SME Role	Other	Other Role	Priority
Target Module					
		development			
50 States Initiative	?	▪ oversight & review	Bill Burgess (NSGIC)	▪ outline ▪ primary content development	2
			Vaishal Sheth	▪ conversion	
Enterprise Architecture	Doug Nebert	▪ outline ▪ primary content development	Vaishal Sheth	▪ conversion	2
Web Services	Doug Nebert	▪ outline ▪ primary content development	Vaishal Sheth	▪ conversion	2
